THE SUPREME COURT. It was reported here a few days ago that Gov. Brownlow had found men to "fill the bill," and had appointed them Judges of the Supreme Court. These men were reported to be Chancellor Shackleford, of this city, and Judge Swann, of Jefferson county. It appears that the appointment of Swann is not known at Knoxville, The Press and Herald of the 6th inst., says :

There is very little expectation among members of the bar, that any court will be held at this town, ner ever, until Governor Brownlow finds men to "fill his bill."

LINCOLN COUNTY.

The Fayetteville News states that the which 536 were for the Democratic ticket. The News says:

"We never knew a more peaceable and orderly election, held in the county. Men of all colors and opinions, who were loyally qualified, and chosen so to do. came up to the polls and cast their votes. This election, too, was held strictly in accordance with the Franchise Law. For issued setting aside the Russell registration, the only alternative left was to fall back upon the registration prior to Rusletter, and no man, as far as heard from, ever tendered his vote un'ess it was backed by a certificate of date anterior to appointment of Russell. Then no objection can be raised to the election on the ground of illegality. We have no doubt but that Brownlow intended to close up the gate entirely, but was too slow in his

The Noice states that the white leadby concert stayed away from the polls. Despite the conviction that their ticket would be defeated, and ambismayed by the heavy majority against them in the city and county, they went to work with a determination to overcome these amjorities. The result will show how well they discharged their duty. In the city the Democracy have a maority of 28, against a Radical majority last year of Col. In the county the Radical ajority has been cut down from nearly 3000 to 128. Fox Camp Ground is the banner district of our-county, polling a ununimous vote for Seymour and Blair. Rutherford, we believe, has made heavier gains than any other county in the State.

GILES COUNTY REDEEMED. The Pulaski Citizen is justly proud

of the hard-some gain which the Demoerats made in Giles county. In its issue of the 6th instant that paper says:

"tilles county has redeemed herself the fought nobly in the late Presidential rugels, and was victorious! Fifty-four majority for Seymour and Blair and the callant Sheafe, against 1726 majority for Brownlow at the last election for Governor! This was the result of fair play. We had none of Brownlow's hirelings to stand guard over the ballot box this time as we did before, and prevent honest mer who held certificates from voting as they wished; no circle of glittering bayonets around the herd of ignorant negroes to unpel them to vote the Radical ticket. Everyman, white and black, who was utitled under the franchise law to vote was allowed to do so without molestation. And the result is a glorious Democratic victory in the county. And so it is in this Congressional district. The gallant Sheafe has triumphed over his apostate opponent by about 1000 majority. Although we have not been so secessful in the general result, we can with intense feelings of delight, revert to the fact that we did our part nobly, and that Hadicalism is dead forever in Giles county. So mote it be !"

Tur Lebanon Herald and Register has been requested to state that the Commissioner of Registration for Wilson county will open his office in Lebanon on the first Monday in December, and will issue certificates to all who are entitled to them. Some more Registrary ought to show a similar liberal spirit.

Col. Tillman has declared his intention of contesting the election of Capt. Sheafe. The Monitor erpresses surprise at this, but it should not. These Radicals have such a thirst for office that they will do any thing to get into a place which has been denied them by the people.

COAL FOR COOKING.

HOUSEKEEPERS USE SEWANEE COAL, for cooking purposes. It is better than wood, does not cost half the money, and will never injure your stove; besides it is more con-

enient.

The Sewanee Coal has been used for ten years
this market. It is a pleasure to state that
here is steady improvement in the quality of
the Coal. Customers will be promptly supplied,
and low prices will be universally maintained
